**BATON ROUGE, La.** – Members of the Postsecondary Education Review Commission will meet on Thursday, February 4, 2010 in House Committee Room 1 of the Louisiana State Capitol beginning at 8:30 a.m. to review, discuss and propose changes to a draft Final Report. The Commission will continue their discussions and vote on a final version of the report on Friday, February 5, 2010 at 9:00 a.m. in the same location.

The 2009 Louisiana Legislature, with strong support from Governor Jindal, passed legislation sponsored by House Speaker Jim Tucker (Act 309) creating the Postsecondary Education Review Commission to study the governance, facilities, funding, operations, and number and alignment of degree programs at Louisiana public colleges, and to provide a written report of findings and recommendations to the Board of Regents by February 12, 2010. The Board of Regents will review the report and submit comments to the Legislature no later than February 26, 2010

Those unable to attend the meetings in person can watch the proceedings live via the internet by logging onto the Postsecondary Education Review Commission's website, [www.laperc.org](http://www.laperc.org). Additionally, the public may provide input to the commission in two ways – by attending the meeting, or by clicking on the “Tell Us What You Think” section of the website.

The full agenda for the two-day meeting is below.
